

A close-up photograph of two mushrooms growing on a bed of green moss. The mushroom in the foreground is larger, with a brown, slightly cracked cap and a thick, light-colored stem. A smaller mushroom is partially visible behind it. The background is a soft-focus green, suggesting a forest floor. A semi-transparent dark green horizontal band is overlaid across the middle of the image, containing white text.

# Autumn Harvest MEETING REFRESHMENTS

September – October 2025

Restaurant Juurakko
