

# Welcome to the SodexoGO App

With the app, you can pay for your purchases quickly and contactless, avoid queues, and always stay up to date with current benefits. In the app, you can see the daily lunch options and choose and pay for your lunch in advance.

After paying for your lunch, the purchase is confirmed at the restaurant by showing the order confirmation in the app to the restaurant's QR code reader.

**Scan the QR code and download the app today.**

To use the benefits provided by your employer, you need to add your lunch benefit code to the app.

# SodexoGO – How to take in use

## 1. DOWNLOAD THE APP

You can download the SodexoGO app from the App Store or Google Play by scanning the QR code.

## 2. REGISTER

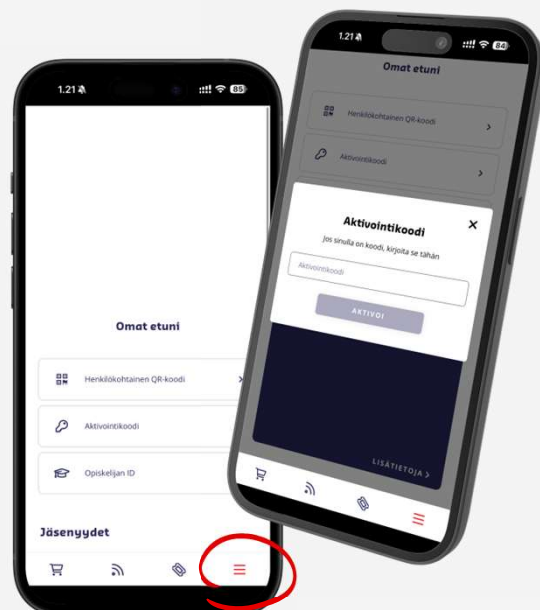

Enter your personal details and accept the terms of use. Enter your phone number with the country code, removing the first zero, for example: +358 40 123 4567.

The default language of the app is determined by your phone's language settings. You can change the language later in the SodexoGO app menu (☰) under *Settings > Language*.

## 3. CONFIRM YOUR PHONE NUMBER

Add your email address and enter the verification code you received. This confirms your phone number.

## 4. ACTIVATE YOUR LUNCH BENEFIT CODE

You can add the lunch benefit code immediately or later. Open the menu (☰) and select *Benefits > Activation code*. Enter the code you got from your employer and select *Activate*.

## 5. BROWSE THE PRODUCT SELECTION

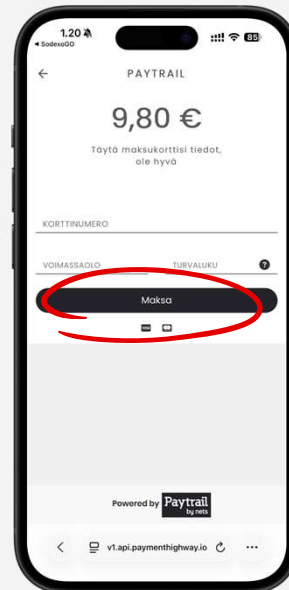

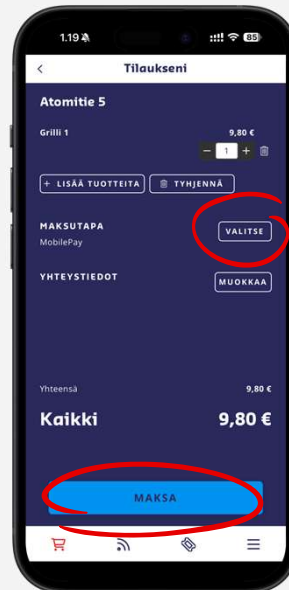

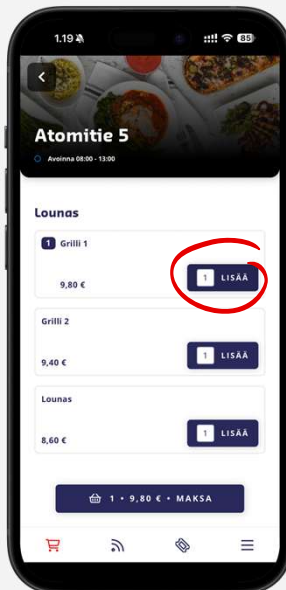

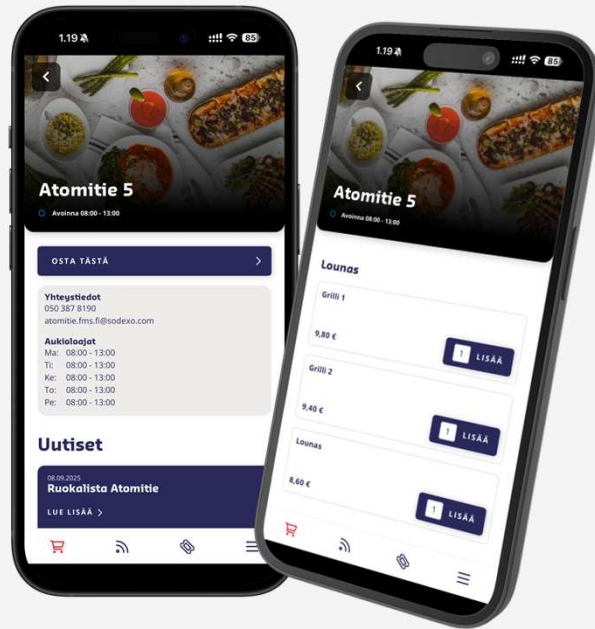

Browse restaurants and their product selections. Choose the products you want and add them to the shopping cart. You can pay for the day's lunch in advance and avoid queuing.

## 6. PAYMENT

Add products to the shopping cart. Choose your payment method at checkout.

### Payment Methods:

- Bank or credit card
- MobilePay
- Google Pay
- Apple Pay

## 7. CONFIRM YOUR PURCHASE

After you have paid for your order, you will receive a QR code. Confirm your purchase by showing the QR code at the scanner located near the lunch line in the restaurant. When the scanner shows a green light, the purchase has been successfully registered. You can then collect your lunch.

## 8. RECEIPTS

You can view your orders and their receipts by going to the menu (☰) and selecting *Orders*.
