When You come for lunch, You use this app to register it.

This can be done in advance to avoid the bottleneck at the register

Choose “Nordic Investment Bank” then “Lunch”. Add one lunch – at this point it shows 13,50€, but as You add it there will come a “Checkout 0,00€” at the bottom. Click it and “Pay 0,00€” will appear. Click this and You will get a QR code. Show this code to the QR code reader below the new screens at the checkout register in the canteen.
