

RELEASE 16.8.2019

Sales of cafe and retail products became subject to VAT.

The tax authorities have changed the tax practices of non-VAT-exempt products offered at educational establishments. In the future, all cafes and retail sales will be subject to VAT for students.

At the beginning of the semester we will switch to a single price system, whereby the students' cafe prices will increase by + 14% VAT.

The change does not apply to on-site student-priced lunch products sponsored by Kela.
